Love Simulation Game:
Let's Go Straight

Q.01 What kind of events occur in "Dassou"?

A.01 You can meet Hanako-chan at the riverbank, and Ikuko-chan, Akiyoshi-kun, and many other characters at school. You can also receive and pick up melon bread. You can enjoy the "Tefu Tefu Game" at the riverbank and the "Melon Pan Game" (when you are with Hanako-chan) at school. There are also other rare events, so do your best to find them.

Q.02 When will it be released?

A.02 It has been on sale since September 30, 1997.

Q.03 Where can I buy it?

A.03 Please purchase at the toy section of major department stores or famous convenience stores.

Q.04 Will the walk mark be displayed at a specific time?

A.04 Walk marks appear randomly at 6:00 AM, 7:00 AM, and 3:30 PM. Very rarely, they may also appear at 8:30 AM. Sometimes no walk marks appear at all in a day, or they may appear multiple times in a day.

Q.05 Iku-chan hasn't come back from school.

A.05 When the school symbol is not displayed, she is in "Home." Ikuko's face appears when she is out for a walk or in the bath, but not at other times.

Q.06 I can't go for a walk.

A.06 Walking times are set. If you don't notice the walk mark, it won't appear until the next time. Walk marks appear randomly at 6:00 AM, 7:00 AM, and 3:30 PM. Very rarely, they may appear at 8:30 AM. Sometimes no walk marks appear at all in a day, or they may appear multiple times in a day.

Q.07 No one comes out except Mame.

A.07 Go to various places with "Dassou." Even if you don't meet someone the first time, you can meet many different people if you go multiple times.

Q.08 The story doesn't go as planned in the book.
(Like fighting with Akiyoshi-kun...)

A.08 This is a game where you increase Mame's favorability and ultimately achieve a happy ending, so it does not include the exact same story or events as the original.

Q.09 What is the list price?

A.09 The price is 1,980 yen excluding tax.

Q.10 My bean has been sleeping all day.

A.10 If you put Mame to bed early, she won't wake up until morning, so she'll sleep for hours. Also, if she loses energy, she may fall asleep on her own. Once she falls asleep, she won't wake up for 8 hours.

Q.11 Hanako comes to play in the middle of the night.

A.11 If you don't respond to Hanako-chan's invitation, she will wait for a long time. Otherwise, if the time setting is correct, Hanako-chan will be asleep after 11:00 PM and will not come to play.

Q.12 When the school mark is displayed, do I have to go to school?

A.12 You don't have to go, but if you don't, you won't be able to meet anyone other than Hanako-chan. Plus, it's harder to increase Ikuko-chan's favorability.

Q.13 My blisters are having trouble sleeping.

A.13 After you set Mame to "Sleep," she will circle around for five minutes to find a comfortable place to sleep. Once she falls asleep, she won't wake up for eight hours, so if you want to cancel, press the C button while she's circling.

Q.14 Hanako-chan isn't at home. Where is she?

A.14 When I'm not at home, I often go out to Kawara.

Q.15 What does "sunakake" mean?

A.15 If the likeability of <Iku-chan> and <Akiyoshi-kun> is high, the likeability of <Akiyoshi-kun> and <Mame> will increase, but the likeability of <Iku-chan> and <Mame> will decrease.

Q.16 What does "gorogoro" mean?

A.16 There is no particular meaning to it. It is a gesture that Mame often does.

Q.17 What is the sound function?

A.17 The button on the far right can be used to turn the sound on and off.

Q.18 What will the ending be?

A.18 There are three endings: good, normal, and bad. You'll have to wait until you see the ending to find out.

Q.19 When do events that happen at school happen?

A.19 This happens randomly. If you don't meet anyone, you can try "Exploring" a few times until you meet someone.

Q.20 Do the lines of the people you meet at school change?

A.20 It may change occasionally.

Q.21 Can Mame play with everyone at school?

A.21 Unfortunately, you can't play with everyone, but if you're with Hanako-chan you can play the melon bread game.

Q.22 I can't give you any food.

A.22 Meal times are 7:00 AM (7:30 if not fed at 7:00) and 3:00 PM.

Q.23 How many days until the ending?

A.23 The earliest you can reach the ending is on the 5th day, but after the 10th day, you'll end up with a bad ending. The ending occurs when you go for a walk, so you won't get the ending unless you go for a walk.
